

## Bruny Island Battery Trial Application for Subsidy / Participation in Trial

Please complete and return this application form to indicate your interest in participating in the Bruny Island Battery Trial. If your application is successful, TasNetworks will contact you with an offer to participate in the Trial, including a participation agreement that must be signed by you if you choose to accept that offer.

1. Applicant's Name(s) \_\_\_\_\_  
\_\_\_\_\_

2. Contact details for primary applicant

Phone: \_\_\_\_\_

Email: \_\_\_\_\_

3. Do you (please tick):

☐ Own the property

☐ Rent the property<sup>1</sup>

☐ Other \_\_\_\_\_

4. Address details

Property  
Address: \_\_\_\_\_  
\_\_\_\_\_

Mailing  
Address: \_\_\_\_\_  
\_\_\_\_\_

5. NMI:<sup>2</sup> \_\_\_\_\_  
(you can find your NMI (e.g., 8000123456) on your electricity bill)

6. Property type:

☐ Residential

☐ Small business

☐ Workshop/Shed

☐ Other \_\_\_\_\_

---

<sup>1</sup> If you do not own the property, you will need to get the consent of the property owner to participate

<sup>2</sup> If no active electricity connection, please note your expected connection date

7. If a residential property, are you (or another occupant):
- ☐ At home most nights of the week (permanent, fulltime resident)
  - ☐ There for part of every week (e.g. every weekend)
  - ☐ I am only there for holidays (unoccupied during a normal week)  
Please indicate how many weeks per year on average: \_\_\_\_\_
  - ☐ The property is rarely occupied
  - ☐ Other \_\_\_\_\_
  - ☐ N/A - this is not a residential connection
8. Are there any lengthy periods of time that the property is usually unoccupied?
- ☐ No (the property is vacant less than a total of 8 weeks per year)
  - ☐ Yes (e.g., the property is vacant for the winter months)
  - ☐ Other \_\_\_\_\_
9. Does the property have an existing solar system?
- ☐ No - but I would like to install a solar system as part of the Trial
  - ☐ No - I am not interested in installing a solar system
  - ☐ Yes<sup>3</sup> - I have existing solar and would like to upgrade this as part of the Trial
  - ☐ Yes - I have existing solar but I do not wish to upgrade, I just want to install the battery
10. Does the property have an active internet connection?
- ☐ Yes, there is an existing permanent, always on internet connection at the property
  - ☐ No, but I will commit to installing a permanent and reliable internet connection if required
  - ☐ No, I do not wish to connect to the internet (please skip to question 14)
11. Please indicate the type of internet connection at the property (existing or intended):
- ☐ DSL or ADSL (broadband using landline)
  - ☐ NBN fixed wireless
  - ☐ 3G/4G internet (uses the mobile phone network)
